

We want you to help shape our thinking on Urgent and Emergency Care (A&E)

Why get involved?

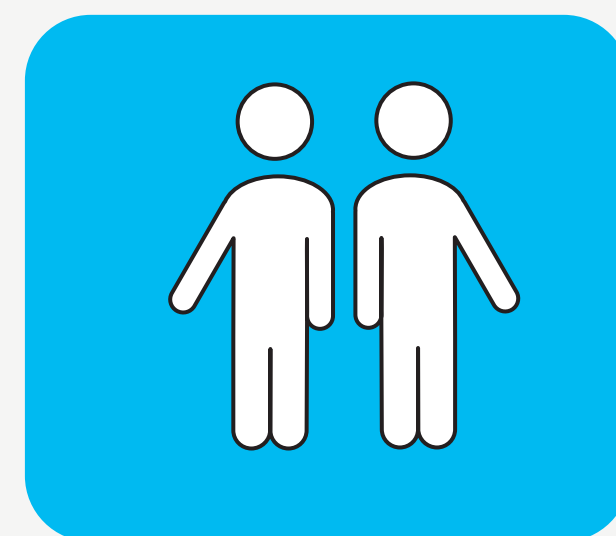

More patients facing longer waits

A workforce under extreme pressure

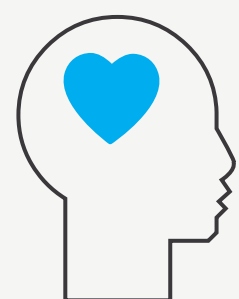

Increasing demand on services

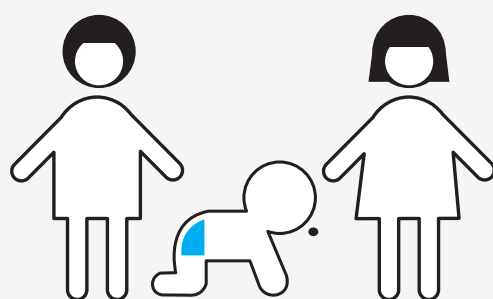

Growing complexity of conditions particularly among older people.

How can I help?

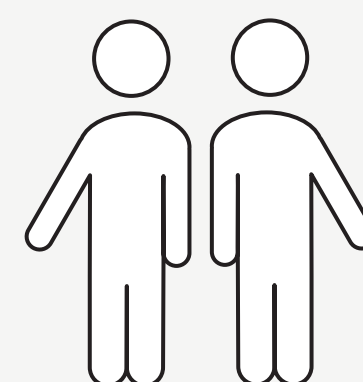

Come and talk to us at a workshop designed for people identified as frequent users of Urgent and Emergency Care

Mental Health

Infants, children & young people care

Older people care

Monday 17th February at the Silverbirch Hotel, Omagh, 1 - 4pm
